18th International Conference on Urban Health

Preliminary ICUH 2022 Program (10 August 2022) ***Provided for planning purposes, subject to change***

Monday, October 24, 2022		
Parallel Session 1: *11:30 – 13:00 CET*		
Lead Author	**Title**	**Type**
Eliphas Gitonga	The missing synergistic link between family planning and urban development in Nairobi, Kenya	Oral
Christopher Browne	Creating an integrated approach to health in land use planning: observations from a partnership	Oral
Ruth Gow	The Healthy Cities Generator: a hands-on, practical tool that gives actionable indicators to incorporate health into urban planning.	Oral
Yu-Ting Huang	Improving the Pedestrian-Vehicle Conflicts with elements of shared space	Oral
Rashmi Rashmi	Does accessibility and disability inclusion exist in urban India? Evidence from a cross-sectional study	Oral
Ana Ramos	Health impact assessment of urban and transport developments in Barcelona: a case study	Oral
Ewa Szymczyk	Assessing participatory urban planning instruments in Krakow, Poland.	Oral
Angela Ogechi John-Njoku	Climatic Uncertainties and emerging urban footprints in Nigeria	Oral
Niklas Wagner	It takes a Dancefloor to Dance: The Knowledge Role of the Transnational City Network ICLEI connecting knowledge producers and Users	Oral
Ophelia Fulton	Global and Climate Challenges: Graph-based Data Analysis for Multisource Information Extraction	Oral
Alice Sverdlik	Promoting the Health and Climate Resilience of Informal Workers: Findings from Action-Research in Masvingo and Harare (Zimbabwe)	Oral
Alice Sverdlik	Climate change, occupational and environmental risks facing informal workers and residents of informal settlements: Towards Resilience in Indore (India)	Oral
Caroline Anitha Devadason	Assessing Health in Climate Change Projects in the Pacific	Oral
Carmen Barona	Políticas de apoyo a la acción local en salud impulsadas desde la Dirección General de Salud Pública de la Generalitat Valenciana	Oral
Rosana Peiró Pérez	Valoración de la implantación de la red de municipios por la salud de la Comunitat Valenciana: XarxaSalut	Oral
Ana Ocaña	Miramar per la salut: el abordaje intersectorial y participativo de las desigualdades en salud	Oral
Joan Quiles Izquierdo	Inicio y resultados de los primeros tres años de la Xarxa Platges sense Fum de la Comunitat Valenciana.	Oral
Hector Muelas	Implantación de la Red de Playas sin Humo en la Comunitat Valencia: oportunidades y dificultades para los municipios	Oral
Estíbaliz Sanz	¿Cómo abordar desde la gobernanza local la integración de las políticas de emergencia climática y la salud? Desarrollo de un marco metodológico de evaluación	Oral
Damián Martínez Soler (Valencia Regional Govt)	la Educación Ambiental en Emergencia Climática dentro de la Conselleria	Oral
Ximena Palma-Leal	CiudaActiva Project Spanish Adolescents: Associations between independent mobility and home-built environment; Influence of the built environment on physical activity behaviors and across gender; Association between environmental characteristics and adolescents´	Panel

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Monday, October 24, 2022		
	perception of barriers to their active commuting to school; Comparing GPS-based home-school and school-home trip measures.	
Antonia Orr	Building an equitable future: How can we centre health equity in our post-pandemic recovery efforts and build a sustainable and equitable recovery?	Workshop
Pamela Carbajal	Planning for urban health & wellbeing in a time of climate crisis	Workshop
Nathalie Roebbel	WHO Urban Health Agenda	Workshop
Mariana Gomes	Panel: Accelerating City Equity (ACE) Project: Learning Exchange to Identify How Equity Drives Sustainable Development In Cities Worldwide	Panel
Majid Ezzati	Old data new tricks, new data new tricks: data and data analytics for measuring urban inequalities	Workshop
Manuel Carballo	Urbanization, Slums and Public Health	Workshop
Parallel Session 2: *16:30 – 18:00 CET*		
Linda Oloo	A public health intervention to improve the quality of informal day-care centers for better child health and development in informal settlements in Nairobi, Kenya	Oral
Jia-Yu Wong	How well the school zone sidewalk project helps to deliver a child-walking-friendly environment? Based on a Case Study in Taipei, Taiwan.	Oral
Anita Pal	Assessment of Integrated Child development services in the urban area of India: Programmatic insights from recent National Family Health Survey	Oral
Anita Pal	Does preschool attendance matter to children's health in India: Insights from recent National Family Health Survey	Oral
Amanda Fernandes	Primary school-based interventions to support a healthy natural and urban environment for children: a review	Oral
Mònica Ubalde-Lopez	Environmental and health-related impacts of interventions in primary public schools transformed into climate shelters in Barcelona: A pilot innovative study	Oral
Martin Mutua	Levels, trends, and inequalities in maternal and child health services among Nairobi's urban poor, Kenya	Oral
Gopal Kulkarni	Prevalence of reported multiple antenatal complications is related to poor maternal and neonatal outcomes among young married women in a slum community in India	Oral
Opeyemi Babajide	Multisectoral Approaches to Addressing Global Urban Maternal and Perinatal Health Inequities.	Oral
Abdur Razzaque	Caesarean delivery and neonatal mortality: Evidence from selected slum dwellers in and around Dhaka city, Bangladesh	Oral
Dr. Shamim Talukder	Impact of COVID-19 on Maternal, Newborn, Child Health and Nutrition Services During Pandemic in Urban Bangladesh: A Study on Dhaka Metropolitan City	Oral
Shashi Kala Saroj	Frontline health workers' engagement with women and its association with maternal and child health care in India: A comparative assessment of urban and rural areas	Oral
Amy Auchincloss	Using Cross-City Data Platforms to Advance Health Equity	Oral
Muh. Afdhal	Integrating urban data systems to facilitate multi-sector, healthy urban planning	Oral
Zoe Lindenfeld	Utilizing Big Data to Address Social Determinants of Health: A Compendium of Data Sources and Tools	Oral
Jinhee Kim	Different approaches to research on urban health: a bibliometric analysis guided meta-narrative review	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Monday, October 24, 2022		
Marta Viada	Development of a tool to integrate health criteria into public space planning in Catalunya, Spain	Oral
Nishita Dsouza	Associations between livability and health outcomes in Connecticut: a multilevel analysis	Oral
Francisco Sergio Campos-Sánchez	Proyecto ANDA: Trazabilidad de la toma de datos sobre rutas auto-reportadas como alternativa al uso de dispositivos GPS	Oral
Pablo Campos-Garzón	Association between the family-built environment and physical activity levels in Spanish adolescents	Oral
Ana Ruiz-Alarcón	Associations between basic psychological needs in active school travel with built environment characteristics in Spanish adolescents	Oral
Rebeca Fernandez Carrion	Influencia del lugar de nacimiento (rural/urbano) en el perfil de metilación del ADN en población mediterránea de edad avanzada y alto riesgo cardiovascular	Oral
Olga Mayoral	Ciudades sostenibles y Educación Secundaria: una propuesta para abordar el ODS 11	Oral
Ana Maria Perez Arredondo	Research Practice Collaborations under the One Health approach for guiding urban health resilience	Panel
Shari Jardine	Reimagining Anti-Racism and Health Equity: Lessons from local and global urban contexts	Workshop
Marcus Grant	Special issue journal call: The practice and delivery of health and equity for neighbourhoods and local environments	Workshop
Kristina Ulm	Shaping urban food systems for healthier people and planet	Workshop
Cristina Vert Roca	Changing urban policies by addressing air pollution and health: examples and challenges in low- and middle-income countries	Panel
James Woodcock	Health impact assessment/ modelling of transport: a workshop on travel behaviour and physical activity	Workshop
Helen Pineo	Book Talk: Healthy Urbanism: Re-defining the Meaning, Form and Creation of Healthy Cities	Special Session
Ann Aerts	Addressing cardiovascular population health and health equity in urban environments	Panel

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Tuesday, October 25, 2022		
Parallel Session 3: *10:30 – 11:30 CET*		
Lead Author	**Title**	**Type**
Noemia Siqueira Filha	The economics of health-care access in low- and middle-income countries: A scoping review and evidence map on the economic impact of health-care access for urban populations	Oral
Babul Hossain	Urban/rural differences in the influence of widowhood on mortality risk in India: Evidence from a follow-up survey of 104,774 individuals	Oral
Chinyere Okeke	Resources and strategies to facilitate and motivate linkages between informal service providers and formal health systems in Nigeria's urban slums: findings from a rapid review	Oral
Ashish Pardhi	Reproductive morbidity among ever married Muslim women: A community-based study in the urban slum of Mumbai, Maharashtra (India).	Oral
Evelyne De Leeuw	Precincts and technopoles: are they truly salutogenic?	Oral
Frederik Gagnon	The challenges of multi-level governance in creating an urban neighborhood environment for health and well-being	Oral
Lucy Mize	Terms of Engagement: Successful Promotion of Urban Health in USAID Development Programming	Oral
Angela Freitas	The Healthy Municipalities Atlas: a web-based tool to inform the Portuguese local governments action	Oral
Opeyemi Babajide	Improving Decision-Making for Population Health in Non-health Sectors in Urban Environments: The Example of the Transportation Sector in Three Megacities—the 3-D Commission	Oral
Saurabh Singh	Urbanicity and its association with morbidity in India	Oral
Meelan Thondoo	Why innovative Urban Health partnerships are important for LMICs: A review of findings from seven fast urbanising cities	Oral
Olufunke Alaba	Eat-out due to time constraints in Ten African Cities: a threat to nutritional health in cities	Oral
Jesse Plascak	Virtually audited sidewalks, physical disorder, and neighborhood walking among a large U.S. urban area	Oral
Juliana Ilídio Da Silva	Physical activity and sedentary behavior among adolescents in ten Latin American countries: Global School-based Student Health Survey and National School Health Survey.	Oral
Daniela Almeida	Walkability and health in low-income neighborhoods	Oral
Natalia Shartova	Urban walkability in the context of the healthy environment	Oral
Adalberto Lopes	Urban settings and walking for transportation: an approach to cities in Latin America	Oral
Marta A. Conceição	The effect of transport infrastructure, congestion, delays and reliability on mental wellbeing: a systematic review of empirical studies	Oral
Juana Maria Delgado Saborit	Exposure to Air pollutants and Mental Health in Mexican Pre-pubertal boys living in a megacity	Oral
Michelle Kondo	Reduction in Socioeconomic Inequalities in Self-Reported Mental Health Conditions with Increasing Greenspace Exposure	Oral
Annemarie Ruijsbroek	Urban densification in the Netherlands and the impact on mental health	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Tuesday, October 25, 2022		
Shreya Shukla	Neighborhood Outdoor-shared Spaces and Mental Well-being of the Elderly: The Case of a High-rise Neighborhood in Delhi	Oral
Otavio Ranzani	Urban-rural differences in hypertension prevalence of low-income and middle-income countries: a systematic review and meta-analysis	Oral
Santosh Sharma	Urban-rural Differential in Chronic NCD Multi-morbidity among Adults Aged 45 years or Older in India	Oral
Leonardo Ancora	Urban science and brain research: A systematic review of the literature	Oral
Franz Gatzweiler	Urban Health and Ecological Civilization –Institutional and Complexity Perspectives on the Transformation Challenge	Oral
Lee Parry-Williams	A case study from Wales -Making it Happen through Health Impact Assessment (HIA)	Oral
Lorenzo Paglione	Policy Implementation Challenges for urban health interventions in Lazio Region	Oral
Brent Langellier	Complex systems approaches to urban food policy in Latin American cities	Oral
Ivy Chumo	Informal social accountability mechanisms for water, sanitation and hygiene in informal settlements	Oral
Sk Karim	Impact of sanitation and drinking water on the prevalence of diarrhea among under-five children in Urban India: Evidence from NFHS-5 (2019-21)	Oral
Dr Imtiyaz Ali	Reaching urban environment through policy initiatives in India -Progressing towards SDG goal 6	Oral
Ishumael Sango	The Economics of Water Supply and Demand in Small Urban Settlements: A Growing Sustainability Dilemma.	Oral
Emmanuel Tanko Umaru	Assessment of Waste Water Drainage System on the Environment of Minna Urban Area, Niger State, Nigeria	Oral
Rosa Mas	El Jardín del Turia: un activo para la salud	Oral
Maria Barbera Riera	Valencian Program for The Prevention Of The Health Effects Of Extreme Temperatures	Oral
Ana Ocaña	Entornos de Vida: herramienta participativa para la evaluación de entornos físicos y socioeconómicos con enfoque de equidad.	Oral
Rebeca Cremades	Plaza para la salud en Gandía: diseño comunitario de un espacio urbano y su evaluación de impacto en salud	Oral
Marta Terrón-Pérez	Asociaciones entre las características del ambiente construido a nivel de microescala con la actividad física y sedentarismo en adolescentes de la ciudad de Valencia: evidencias de validez de la herramienta MAPS-Global.	Oral
Nutan Kumari	Breast and Cervical Screening and Associated Factors among Urban Women in India	Oral
Shekhar Chauhan	Are slum children at high risk of undernutrition: Evidence from Indian megacities	Oral
Ratna Patel	Understanding the effect of social capital on the depression among adolescents in urban India	Oral
Sunil Thomas Jacob	Life skills education program rolled out in the secondary and higher secondary schools in urban settings in Madhya Pradesh, experience from India	Oral
Taylor Fleming	Experiences of street-involved youth who use stimulants accessing non-youth-focused health and social services in an urban drug scene	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Tuesday, October 25, 2022		
Marian Sintes Marco	Cycling With Clean Air: ciencia ciudadana sobre calidad del aire y movilidad activa de CONBICI	Panel
Asier Anabitarte	INMA Cohort Study: Effects of residential greenness on attention in a longitudinal study at 8 and 11–13 years; Prenatal and postnatal residential use of insecticides and children's neuropsychological development; Associations of residential greenspace exposure and trajectories of fetal growth across four areas in Spain; Urban Environmental Exposures and Childhood Health	Panel
Aditya Singh	Spatial Heterogeneity in the Exclusive Use of Hygienic Absorbents during Menstruation among Urban Women	Oral
Fred Gbagbo	Towards regulating Commercial sex work among university students in public universities in Ghana	Oral
Natalia Marín Muedra	Riesgo de pobreza y/o exclusión social y Papilomavirus. Resultados preliminares.	Oral
Soumendu Sen	Assessment of quality of life (QoL) in breast cancer patients seeking treatment at an urban tertiary cancer hospital in India: a primary study using EORTC QLQ-C30 and BR-23 instruments.	Oral
Parallel Session 4: *12:00 – 13:00 CET*		
Andréanne Breton-Carbonneau	Urban greening for climate adaptation and health: Lessons learned from 5 cities in the Global North for equitable greening and preventing unintended health consequences	Oral
Helen Hoyle	Beyond the 'usual suspects'? Climate equity in practice: Engaging diverse communities in co-producing an arboretum-meadow.	Oral
Saiba Gupta	Exploring evaluation frameworks for Nature-based Solutions (NbS) as a tool for urban resilience	Oral
Vikki Houlden	How nature helped us through lockdown: characterising inequalities in deprivation, access to greenspace, and wellbeing throughout the pandemic	Oral
Kristina Ulm	Edible streets: bottom-up policy innovation in Sydney, Australia	Oral
Eric Ssegujja	Reactivation of the private sector to transform urban immunisation service delivery systems in Kampala city Uganda; Lessons and early implementation experiences.	Oral
Dr Imtiyaz Ali	The impact of health insurance support on maternal health care utilization in India and selected states	Oral
Bibhishana Bhuyan	Assessing Musculoskeletal Disorders among Brick Kiln Workers: A study of Seasonal Workers Employed in Brick Kilns of Southern Indian Cities	Oral
Claudia Viana	Measuring modal accessibility disparities to community pharmacy services in Lisbon	Oral
Dustin Fry	Evaluating the effect of New York City's clean bus program on changes to estimated ambient air pollution	Oral
Maria Alejandra Rubio	The impacts of an urban cable car system on livability: a natural experiment in Bogotá, Colombia	Oral
Corin Staves	The impacts of the built environment on commute mode and health: Simulating behaviour in an agent-based integrated land use/transport/health model	Oral
Katarzyna Jasińska	The impact of spatial characteristics of underground metro stations on humans' experience: The case study of Warsaw, Poland	Oral
Margarett Alexandre	Lived Experience of Traumatic Amputation for Haitian Adults	Oral
Cyprian M Mostert	The impact of severe drought on mental health and labour market stability in South Africa	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Tuesday, October 25, 2022		
Asesh Sarkar	Investigating Stakeholder Perceptions of Association between Urban Environment and Mental Well-being	Oral
Radhika Raghunathan	Neighborhood Environment and Children's Psychological Well-Being: Linking the Child Opportunity Index to Panel Study of Income Dynamics	Oral
Dr. Kamrun Nahar Koly	Prevalence and associated factors of Depressive Symptoms and Anxiety among women with a history of abortion living in urban slums of Bangladesh	Oral
Denise Ndlovu	Exploring the food bank supply chain: A qualitative study on emergency food parcels and household dietary practices in the South of England	Oral
Gul Nawaz Khan	Micronutrient deficiencies and urban-rural differences among women of reproductive age in Pakistan: results from a nationwide cross-sectional survey	Oral
Letícia De Oliveira Cardoso	Community food environments in Mexican cities: the role of social and urban environments on neighborhood-level healthy food availability	Oral
Kajori Banerjee	The rural-urban conundrum of adult malnourishment in India: The cognitive health angle	Oral
Michelle Eichinger	Spatial Analysis of the Food Retail Environment: Case Study in Worcester, South Africa	Oral
Paula Guevara-Aladino	When private care becomes public: Caregivers' perceptions on the Care Block program in Bogotá, Colombia.	Oral
William Lodge	Self-rated health and gender in a socioeconomically deprived neighborhood in Belo Horizonte	Oral
Ivy Chumo	Mapping social accountability actors and networks and their roles in water, sanitation and hygiene in child-care centres within Nairobi's informal settlements	Oral
Bachera Aktar	Urban poor, city development and vulnerabilities: Learning from the ARISE project in Bangladesh	Oral
Abhishek Sharma	Effect of Persistent Household Poor Sanitation Status on Stunting in Urban India: Evidence From a Longitudinal Study	Oral
Rajib Das	Open Defecation in Delhi: A Critical Appraisal of Swachh Bharat Mission	Oral
Siddharth Agarwal	Communities assess and implement practical methods to deal with environmental determinants of slum health: Lessons from India	Oral
Damodar Bachani	Engaging Communities to Improve Air Quality in Indore, India	Oral
Ratna Patel	Risk of acute respiratory infections and low birth weight associated with indoor air pollution: A major environment and public health challenge	Oral
Felicia Tai	Learning worldwide air quality trends by graph-based analysis of multisensor Earth observations	Oral
Annalan Navaratnam	Determining transportation contribution to air pollutants in low- and middle-income countries: A systematic review on the impact of COVID-19 restrictions	Oral
Anna Bornioli	Road safety in-car notifications for healthier and more livable cities: an experimental study from Rotterdam	Oral
Francisco David López-Centeno	Active commuting to and from school and its association with home and school-built environments in Spanish adolescents	Oral
Srei Chanda	Rural-urban differentials in access to public transport and public buildings by the Persons with Disabilities in India- An undiscussed agenda.	Oral
Angela Freitas	Placing health in the centre of all local policies through an intersectoral and integrated policy framework for action: the example of the Municipal Health Strategy of Coimbra	Oral
Yu-Chun Hsu	Do Rural Regeneration program actually enhance community empowerment in rural communities? A case study in Taiwan	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Tuesday, October 25, 2022		
Carlota Sáenz De Tejada	Integrating health in housing policy and neighborhood transformation projects: a multisectoral experience from the province of Barcelona	Oral
Joseph Obosi	Enhancing Health Care Access In Global Cities Through Social Protection Policies	Oral
Annie Smith	Working together to improve outcomes for youth transitioning to adulthood from child welfare services in a Canadian urban setting	Oral
Ana Queralt	IPEN Adolescent study in Valencia, Spain: main findings and future directions	Oral
Rayhan Sk	Socioeconomic determinants of childhood morbidities in urban environments: A cross-sectional study based in 53 developing countries	Oral
Mònica Ubalde-Lopez	Giving the voice to children: a participatory action research using Photovoice to co-produce interventions to improve urban school travel	Oral
Trudy Harpham	Family planning meets urban development in Sub-Saharan Africa: addressing inter-sectoral challenges for urban health	Panel
Ariella Rojhani	Fast-tracking urban policy-making for public health	Panel
Special Parallel Sessions: *16:30 – 18:30 CET*		
Rachael Dix	Healthy and Active Ageing and the Promotion of Mental and Physical Health in the City of Valencia, Spain	Workshop
Sarah Ruel-Bergeron	Health and Housing Evidence Map to Translate Research into Action (Workshop)	Workshop
Carlota Sáenz de Tejada	Vivienda y Salud: de la evidencia científica a la incorporación de criterios de salud en políticas públicas de vivienda y transformación de barrios	Workshop
Marian Sintes Marco	A bike ride for clean air: Measuring PM2.5 in the city of Valencia	Workshop
Cristina Vert Roca	Public Understanding of Air Pollution and Risk Communication	Workshop
Ramon Marrades	Placemaking Europe: Healthy Placemaking in Action	Site Visit Workshop
Mrunal Kanti Das	Augmenting urban health care in tandem with the clientele and all Stakeholders including community level public representatives. Lessons from Odisha: Ward Kalyan Sam, Family Planning Corner, Open Air Gym	Workshop
Shamim Hayder Talukder	Spotlight on Bangladesh: Examples of Community Health in Action	Panel

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Wednesday, October 26, 2022		
Parallel Session 5: *10:30 – 11:30 CET*		
Lead Author	**Title**	**Type**
Lucinda Cash-Gibson	Towards a systemic understanding of equitable sustainability in cities: a conceptual framework	Oral
Melanie Davern	Getting research evidence on urban design and public health into Australian policy and planning through the Australian Urban Observatory	Oral
Pawan Pathak	Collaboration with local municipal corporation for creating Pune as an age-friendly city with specific focus on health during the Covid pandemic	Oral
Jussara Guarnieri	Title: Municipal Health Plan an Instrument for Building Healthy Cities In Brazil	Oral
Eduardo Abbade	Ethnic differences for obesity and diet patterns among adults in Brazil	Oral
Gul Nawaz Khan	Prevalence and urban-rural differences in overweight and obesity among adolescent girls in Pakistan: results from a nationwide cross-sectional survey	Oral
Madhumita Bango	Pregnancy obesity and association with adverse birth outcomes in urban Punjab: evidence from the recent health survey data, 2019-20	Oral
Anita Pal	Prevalence of obesity and its correlated morbidities in children and adolescents in India	Oral
Deepa Barua	Is urban primary health care system in Bangladesh ready to deliver essential NCD care: Findings from a mixed-methods study	Oral
Deepak Joshi	Participatory methods to identify the urban poor and NCD care seeking place in Pokhara, Nepal	Oral
Brent Langellier	Using systems methods to study neighborhoods in cities as dynamic social systems: conceptual and empirical examples from spatial patterns in older adults' cognition	Oral
Antoni Colom Fernández	The Influence of Neighborhood Walkability on Physical Activity Changes During a Physical Activity Intervention Program in a Senior Population at High Cardiovascular Risk	Oral
Heng-Yun Ko	Applying the 15-minute city concept in an ageing society: a case study in Taiwan	Oral
Shamrin Akhtar	Chronic Diseases and Productivity Loss among middle-aged and elderly Urban India	Oral
Benazir Patil	Measuring improvement in the Quality of Life for Vulnerable Older People residing in urban slums of Pune city, India	Oral
João Pedro Marques-Reis	Cardiovascular disease morbidity and mortality: a systematic scientific review of risk factors	Oral
Santhushya Fernando	Prevalence and clustering of cardiometabolic risk indicators in the City of Colombo, Sri Lanka	Oral
Luis Cereijo Tejedor	Associations between exercise facility availability and incidence of Type-2 Diabetes and macrovascular and microvascular complications among 1,214,281 adults in Madrid between 2015-18	Oral
Theresa Reiker	The CARDIO4Cities approach: An impactful and cost-effective model to improve urban hypertension management	Oral
Dayan Carvalho Ramos Salles De Oliveira	Joint effect of social and built environments on cardiovascular disease mortality in Latin America: a cross-sectional study	Oral
Michelle Wan	Data-driven studies of air quality and socioeconomic predictors of mortality in Greater London, UK	Oral
Lan Wang	Urban land expansion, air pollution exposure and lung cancer: A path analysis at the national scale	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Wednesday, October 26, 2022		
Dr. Md Senaul Haque	Air Pollutants, Exposure Scenario and Human Health: An Epidemiologic Assessment of Urban Health in Kolkata, India	Oral
Panjun Gao	Ozone and acute cardiovascular effects in Shenzhen, China: Understanding the environmental health burden and modifications by season and temperature	Oral
Soumendu Sen	The economic hardship of breast cancer patients in India: a study from an urban tertiary cancer center of Mumbai city	Oral
Soumendu Sen	Socioeconomic and regional variation of breast and cervical cancer screening among urban women in India: a study based on a nationally representative survey	Oral
Dr. Shamim Talukder	Impact of COVID-19 on PLWNCDs in Terms of Health Service Delivery in Urban Bangladesh: A Study on Dhaka Metropolitan City	Oral
Pijush Kanti Khan	Extent and pattern of reimbursement on inpatient care in India, 2017-18	Oral
Celine Rozenblat	Intercontinental Comparative Analysis of Urban Health in The World: Issues And Actors	Oral
Babul Hossain	Mortality and Epidemiological Transition in India and Its Concerns-A Study Based on Urban Maharashtra	Oral
Judith Schröder	Identifying research issues in the field of Urban Public Health	Oral
Georgina Miles	Urban advantage? Association of remoteness and reduced disease burden in Nepal	Oral
Elena Rocher	Towards healthier and fairer cities: fighting energy poverty in Europe	Oral
Rebeca Lucas	Contributing To Healthier Populations by Reducing Energy Poverty Through Innovative Public-Private Collaboration	Oral
Jisun Kim	Social Relationship and Neighborhood Environment of Young Single-person Household in Housing Poverty in Seoul, South Korea	Oral
Merel Stevens	What are energy poverty interventions for health and how do they work?	Oral
Nurullah Awal	Application based early detection of COVID-19 suspected cases, surveillance and knowledge sharing in densely populated urban slums and low-income communities in Bangladesh	Oral
Vitor Pessoa Colombo	Shared sanitation and safety issues in impoverished urban settlements: design implications for slum upgrading projects	Oral
Andi Ahmad Yani	Understanding the interactions between waste, wastewater and health in Makassar, Indonesia	Oral
Smarajit Chakraborty	Health seeking behaviour of urban slum dwellers of Bhubaneswar city	Oral
Mukesh Sharma	Finding hidden and unlisted slums helps ensuring universal health coverage	Oral
Eric Ssegujja	Enhancing equity in immunization service access and utilization among the urban poor dwelling in informal settlements of Kampala city, Uganda; Confronting the challenge through implementation research.	Oral
Shukri Mohamed	A qualitative study examining blood pressure control among patients with comorbidities and on treatment in two Nairobi slums.	Oral
Evelise Pereira Barboza	The impact of urban environmental exposures on health: An assessment of the attributable mortality burden in Sao Paulo city, Brazil	Oral
Pedro Gullón	Who benefits from green spaces? An analysis of the association between green spaces and the incidence of cardiovascular disease in Madrid	Oral
Jorge Rocha	The Importance of Urban Environment for Well-Being: Analysis in Lisbon using Social Networks	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Wednesday, October 26, 2022		
Chirag Sharma	Role Of Public Parks and Spaces in Creating Age-Friendly Cities	Oral
S. Claire Slesinski	Policy and community engagement and knowledge translation for health and health equity in Latin American cities: the SALURBAL Project	Panel
Parallel Session 6: *12:00 – 13:00 CET*		
Pol Jiménez-Arenas	Air pollution exposure during pregnancy: a large-scale personal monitoring study within the BiSC cohort	Oral
Riaz Hossain Khan	Factors influencing the multi-temporal air quality variability in Dhaka and neighboring cities, and its human health implications	Oral
Yekeen Sanusi	Urban households' cooking energy, indoor air pollution and urban health in Africa	Oral
Jin-Young Min	Exposure to ambient particulate matters during the summer and increased heart rate	Oral
Jieling Liu	Co-creating solutions to complex urban problems with collaborative systems modelling - insights from a workshop on health co-benefits of urban green spaces in Guangzhou	Oral
Lorenzo Lionello	Green Spaces as Caring Ecosystems	Oral
Khadiza Tul Kobra Nahin	Greenspace Availability and Changes over the years: A Geospatial Assessment to Determine the Impact on Urban Health	Oral
Peter Vervoort	Assessing access to health promoting green space in relation to dwelling density: case Leuven (Belgium)	Oral
Ricardo Latoeiro	The Coverage of Green Spaces In The Cities Of Lisbon And Paris As Potential Contributions To A Healthier City	Oral
Douglas Bruce	Correlates of Severe Psychological Distress among Chicago Residents One Year into the COVID-19 Pandemic	Oral
Dani Broitman	Anxiety and Depression in post Covid-19 times: Dealing with uncertainty	Oral
Hillary Coletro	Eating patterns according to NOVA classification and mental health	Oral
Nayeli Salazar	New Jersey Latinx Mental Health in the Time of Coronavirus: Study Results of a Statewide Quantitative Dissertation Study	Oral
Saisujani Rasiah	Mental Health Trajectories of Disadvantaged Children and Caregivers Using School-Based Health Centers During The COVID-19 Pandemic.	Oral
Eliphas Gitonga	Predictors of approval for the use of family planning among blended (natives and Refugees) Somali women in Nairobi, Kenya	Oral
Sunday Adedini	Using family planning as a strategy for achieving sustainable urbanization: perspectives from urban development and family planning stakeholders in Nigeria	Oral
Sunday Adedini	Family planning services in urban sub-Saharan Africa: a scoping review of programmes, interventions and their impacts	Oral
Bikesh Bajracharya	Quality of family planning services and protection from Sexually Transmitted Infections (STI) and HIV/AIDS in Urban Nepal	Oral
Monirujjaman Biswas	The effect of continuum of maternity care on postpartum modern contraceptive uptake among young women in urban areas Insights from the 2019-21 and 2015-16 and 2019-21 Indian Demographic and Health Surveys	Oral
Uriel Moreira Silva	An Intraurban Social Environment Index for cities in Latin America and the Caribbean	Oral
Gul Nawaz Khan	Social Determinants of Health and Health Inequities in Children Under-Five Years across Urban Slum and Rural Remote Areas of Sindh, Pakistan: A Qualitative Study	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Wednesday, October 26, 2022		
Lorenzo Paglione	Does urbanization correlate with health service assistance? An observational study in Rome, Italy	Oral
Amanda Silva Magalhães	Comparison of sociodemographic and health service use indicators between women living in the city of Belo Horizonte and those who live in informal settlements of this municipality	Oral
Ranavijai Bahadur Singh	Assessing Social Determinants and Health Perception in Addis Ababa City, Ethiopia	Oral
Elis Borde	Urban violence and the city of the Global South: insights from Bogota and Rio de Janeiro	Oral
Yun-Ting Yen	Living in neighborhoods with higher violent crime rates is associated with asthma morbidity in Philadelphia children.	Oral
Aline Sales	Age-Period-Cohort Analysis for Homicides in Belo Horizonte, 2002-2012 under the intraurban inequities lens	Oral
Micaela Arthur	Stakeholder Engagement to Improve Urban Health Systems for Migrants	Oral
Dr. Kamrun Nahar Koly	Health-Related Quality of Life among Rural-Urban Migrants Living in Dhaka Slums: A Cross-Sectional Survey in Bangladesh	Oral
Dr Imtiyaz Ali	Migration, Remittances, and health care utilization among Muslims in selected states of India	Oral
Mark Edberg	A Transnational Continuum of Health Determinants for Central American Migrants in a U.S. Metropolitan Setting: Implications and Results of a Qualitative Study	Oral
Mohammad Gharipour	The Epidemic Urbanism Initiative: Creating an International and Transdisciplinary Educational Hub to Advance Urban Health	Oral
Ashby Lavelle Sachs	Effect of a nature and social connection intervention to address loneliness with adolescent parents and their peers: Meeting in Nature Together (MINT)	Oral
Benazir Patil	Last mile connectivity for the vulnerable older people in slums of Pune, Mumbai, and Bhopal cities of India	Oral
Fulvio Castellani	“Health at Home”: a new model to reach the community involving several health and welfare stakeholders of a small area from the centre of Rome	Oral
Teresa Leão	Building bridges between health and the design of living spaces	Oral
Pilar Ausina Aguilar	Valencian arbovirus control program	Oral
Sandra Oliveira	Urban population in Europe is increasingly exposed to vector-borne diseases transmitted by the Asian-Tiger mosquito	Oral
Jorge Rocha	Modeling the distribution of Aedes Albopictus in European main Urban Areas	Oral
Taye Bayode	Spatial Analysis of Childhood Malaria in Nigeria: A Model-Based Geostatistical Modelling Approach	Oral
John Didacus Njoku	Trending transformation of cities and sustainable urban livelihood in Nigeria	Oral
Lidia Morais	Latin American gender sensitive evaluation framework for urban transformation interventions in urban vulnerable contexts: Insights from Brazil, Chile, and Colombia	Oral
Martine Shareck	Downtown revitalization and well-being among young adults: exploring everyday experiences with photo-elicited go-along interviews	Oral
Andrea Salmi	The heterogeneous spatial relationship between health and the built environment: an application on cardiovascular risk factors in the canton of Geneva	Oral

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Wednesday, October 26, 2022		
Franz Gatzweiler	Transforming urban environments for our common future health	Panel
Shamim Hayder Talukder	Way Forward to Improve Urban Health in Bangladesh: From Promises to Action	Panel
Parallel Session 7: *16:30 – 18:00 CET*		
Nehemiah Oyelaran	Analysis of Tuberculosis Occurrence, Perception and Management in Ajeromi-Ifelodun Local Government Area, Lagos State, Nigeria	Oral
Dashiell Sears	Exploring the Impact of COVID-19 on Urban HIV Policy	Oral
Nehemiah Oyelaran	Analysis of Spatial Pattern and Socio-Economic Status of Tuberculosis Patients in Ajeromi-Ifelodun Local Government Area, Lagos State, Nigeria	Oral
Mohammad Zahirul Hoque	Determinants Of Health Expenditure of Human Immunodeficiency Virus (HIV) Infection In Selected Eastern European And Central Asian (EECA) Countries: An Empirical Study	Oral
Nelson Muparamoto	Meeting unmet health needs of men who sex with men in HIV interventions in Zimbabwe	Oral
André-Anne Parent	Resilience of Local intersectoral networks faced with the COVID-19 crisis.	Oral
Uriel Moreira Silva	Association of urban inequality and income segregation with COVID-19 mortality in Brazil	Oral
Philip Yanos	Residents of a New Community Residence for People with Mental Illness and Criminal Justice Involvement: Predictors of Community Participation During the COVID-19 Pandemic	Oral
Larissa Lima	The Impact of Public Policies on the Intraurban Dynamics of COVID-19 in a Brazilian city: an Agent-Based Modeling Approach	Oral
Hassan Oladapo	Spatial and temporal analysis of SARS-CoV-2 concentration in municipal wastewater in The Netherlands	Oral
Andrea Falco	COVID-19 Epidemic spread and Green Areas Italy and Spain between 2020 and 2021: An observational multi-country retrospective study	Oral
Solimar Rocha	COVID-19 Hospitalizations Among Youth: Profile and Spatial Distribution In Belo Horizonte, Brazil	Oral
Olivia Matalka	A Secondary Analysis of Reproductive Health Outcomes Among Syrian And Jordanian Women Living In Jordan, 2017-2018	Oral
Neha Shri	Safe delivery practices in Urban India	Oral
Balhasan Ali	Living longer but working less: India's urban women's conflict between productive and reproductive labour	Oral
Md. Azmal Hossain	"Ma Jaan" – ensuring a well-managed maternal care and referral pathway for urban poor in Bangladesh.	Oral
Ashish Pardhi	Utilization and factors associated with maternal health services among Muslim women in urban slums of Mumbai (India)	Oral
David Ugal	Socio cultural factors affecting maternal health in the urban areas of Nasarawa State, Nigeria.	Oral
Ariela Braverman Bronstein	Urban determinants of maternal and child health disparities in Latin America	Panel
James Woodcock	Health impact modelling of transport in the global south.	Panel

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) ***Provided for planning purposes, subject to change***

Wednesday, October 26, 2022		
Diamond Spratling	Building Equitable Cities Starts with Meaningful Community Engagement: An Interactive Workshop to Guide City Leaders in Actively Engaging Vulnerable Communities in their Equity Work	Workshop
Marcus Grant	Shaping research agendas: Why and how to engage with academic journals - a workshop discussion for practitioners	Workshop
Cristina Vert Roca	Changing urban policies by addressing air pollution and health: an overview of tools	Workshop
Jo Ivey Boufford	Territorial Destigmatization and inequities: City-to-City exchange (PAHO)	Panel
Mariana Gomes (ISUH)	Global ACE Project Meeting *By Invitation Only	Workshop
Jose Siri	The Our Planet Our Health Urban Research Partnerships: Impacts and Lessons from a Transdisciplinary Research Funding Programme	Workshop

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Thursday, October 27, 2022		
Parallel Session 8: *9:00 – 10:30 CET*		
Lead Author	**Title**	**Type**
Alvaro Valera Sosa	UrbanCare Capacity-building Hub, a partnership to deploy climate and health capability and training modules at higher education institutes	Oral
Md. Azmal Hossain	Implications of Climate Change on Sexual and Reproductive Health (SRH) and Gender-Based Violence (GBV) for the Climate Induced Urban Populations in Bangladesh	Oral
Yue-An Cian	Represent Spatial Heterogeneity of NBS Opportunity to Hot Extremes Based on the Pattern of Green/Gray Infrastructure Combination: A Case Study in Tainan City, Taiwan.	Oral
Riya Sethia	Heatwave implications on Human Health and Heat-sensitive Urban Planning as a tool to mainstream Climate Resilience in Cities	Oral
Louise Lajoie	Bringing cities to be proactive in reducing health impacts of climate change through vulnerability data and mapping	Oral
Meen Poudyal Chhetri	Repercussions of Substance Abuse Gongabu Area, Kathmandu Metropolis	Oral
Meen Poudyal Chhetri	Health Problems and Drug Abuse in the Slums of Thapathali, Nepal	Oral
Samara Mayer	Examining the Delivery of Injectable Hydromorphone and Diacetylmorphine drug treatment programs in urban spaces: A Qualitative Study in Vancouver, Canada	Oral
Bhawna Bhawna	Does substance use affect mental health among youth? A case study of slums in Delhi, India	Oral
Twesha Khanna	Lower condom use intentions are associated with poor sexual health and drug use among young urban African American women	Oral
Ryan Mcneil	A qualitative study exploring dynamics shaping access to safer pharmaceutical alternatives to illicit drugs in urban British Columbia, Canada during intersecting COVID-19 and overdose health emergencies	Oral
Tamara Al-Obaidi	Understanding health and wellbeing conceptualisations in relation to high-density residential developments in research studies: a review	Oral
Elizabeth Mcneill	Data-Driven Interventions to Address Social Determinants of Health to Improve Equity in Cardiovascular Outcomes: A Scoping Review	Oral
Dustin Fry	Measuring Neighborhood Physical Disorder with Google Street View Imagery	Oral
Dustin Fry	Virtual Audits in Google Street View: Toward Best Practices for an Emerging Method	Oral
Dina Zein	Artificial Intelligence Applications Addressing WHO Essential Public Health Functions	Oral
Thaís Lopes De Oliveira	Spatial inequalities in life expectancy by small area in six Brazilian state capitals, 2015-2019.	Oral
Danielle Maccarthy	Applying a person-environment fit to examine the role of urban nature on physical activity in older adults: A case study in Belfast, Northern Ireland.	Oral
Shekhar Chauhan	Aging friendly communities and social inclusion in urban India: Ensuring health equity among deprived older adults	Oral
Raghunath Mandi	Satisfaction of Life Among Urban Elderly in India: Evidence from LASI, 2017-18	Oral
Anshul Kastor	Role of Elders in Household Decision Making in India: Are Urban Widows Deprived more?	Oral
Dolly Kumari	Predictors of life-course risk factors of activity of daily living among urban older adults in India	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) ***Provided for planning purposes, subject to change***

Thursday, October 27, 2022		
Mireia Ferri Sanz	Co-design with older people in pandemic	Oral
Julio Lumbreras	Accelerating urban climate neutrality through national multi-stakeholder platforms: the case of Spain	Oral
Ana (Moderator) Ortigoza	Health in motion: the potential role of child-targeted road safety and active mobility interventions in tackling urban determinants of malnutrition and mortality among children and women in Latin America (moderated panel)	Panel
Jill Litt	Urban Research Coordination and Cooperation: Implementation of European Research and Innovation Clusters for Greater Impact on Urban Health	Panel
Jose Manuel Zuniga	Reimagining Urban Health for a Post-COVID-19 Era: Lessons from Fast-Track Cities	Panel
Greg Williams	Tackling infodemics in urban communities	Workshop
Rosana Peiró Pérez	Transforming Urban Environments for Health using the Place Standard Tool – an international perspective	Workshop
Beatriz Vallina Acha	Health communication and recruitment of hard-to-reach and highly marginalized populations	Workshop
Jinhee Kim	Which urban health paradigm is yours?	Workshop

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Virtual Sessions – *Date & Time TBD*		
Lead Author	**Title**	**Type**
Rajeev Malagi	Healthy Cities for Adolescents, India	Oral
Bachera Aktar	Urban poor, city development and vulnerabilities: Learning from the ARISE project in Bangladesh	Oral
Ivy Chumo	Intersectoral collaboration and integrative governance on the road for health in all policies	Panel
Cyprian M Mostert	Does social pension buy the mental health and mortality outcomes of senior citizens? Evidence from South Africa's 2008 pension reform	Oral
David Rojas-Rueda	Colorado EnviroScreen: an environmental justice mapping tool	Oral
Margarida Pereira	Associations between Sociodemographic Factors and COVID-19 in an Urban Population with Overweight/Obesity - a cross-sectional study in six districts of Oslo	Oral
Oyekanmi Babatimehin	Climate Change and Spatial Progression of Meningococcal Meningitis in Nigeria	Oral
Anneka Wickramanayake	Characterizing drivers of increased exposure to air pollutants for mothers and newborns in Nairobi's informal settlements.	Oral
Mohammad Hafijul Islam	Community engagement in health system management can play an effective role in dealing with emergencies like COVID 19.	Oral
Aina Roca Barcelo	Development of spatiotemporal high-resolution temperature data for São Paulo, Brazil; a valuable resource for epidemiologists	Oral
Rebecca Pradeilles	Food and nutrition security in infants and young children of female garment workers: Evidence from a remote longitudinal survey amid the COVID-19 pandemic and political crisis in urban Myanmar	Oral
Lavanya Vikram	Impact of Urban Sprawl on Social Behaviour in the Peri-Urban area through Spatial Analysis: Case Application Bengaluru City, India	Oral
Amanda Andrade	Social and built environment characteristics related to leisure physical activity in three Latin America countries: evidence from the SALURBAL Project	Oral
Khadija Islam Tisha	Distribution of urban healthcare facilities of Bangladesh: Findings from a health facility mapping study	Oral
Shekhar Chauhan	Urban poverty and food insecurity: Implications for mental health and wellbeing of older adults in urban India	Oral
Sudha Ramani	Corona was scary, but the lockdown was worse: A mixed-methods study of community perceptions on COVID-19 from urban informal settlements of Mumbai	Oral
Hasna Hena Sara	Occupational Health Effects on South Asian Child Waste Workers: A Scoping Review	Oral
Joel Chiahao Tsou	The Investigation of the Relationship between Walkability and Older people's Cognitive Function Level in the Historical Community of Tainan City	Oral
Mariana Espinosa Estrada	Experiences from Buenos Aires, Córdoba and Rio de Janeiro in COVID-19 vaccine outreach to vulnerable populations	Panel
Ana Maria Girotti Sperandio	Technologies to promote the Healthy City: biophilic and participatory design approaches.	Oral
Marianela Castillo Riquelme	Patterns of spatial inequalities in urban infrastructure to foster physical activity in the Greater Santiago	Oral
Daniel Skaba	Accuracy of address georeferencing using Google API in 419 Brazilian municipalities from the SALURBAL study	Oral

Preliminary Program - SUBJECT TO CHANGE

Virtual Sessions – *Date & Time TBD*		
Lauren J. Wallace	How are changing gender and social norms influencing health seeking behaviour and health systems in cities in West Africa and South Asia? Findings from qualitative and quantitative research in Ghana, Nigeria, Nepal and Bangladesh	Panel
Ishfaq Vaja	Ethnic differences in perceptions of air quality and acceptability of the Bradford Clean Air Zone:	Oral
Joy Mutai	Biodiversity's role in promoting urban health through public spaces	Panel
Rizka Maulida	Environmental correlates of adolescent active travel to school in Asia:an ecological study	Oral
Fernanda Lanzagorta Cerecer	The role of the Ministries of Health of Latin America in Healthy Municipalities Networks	Oral
Kanupriya Kothiwal	Collective Savings to Address Social Determinants of Slum Health and Well-Being	Oral
Diana Schoder	Greening Buildings for Healthier People	Oral
Tushar Dakua	Population growth, impervious surface expansion and level of pollution: A comparative study of Mumbai and Bangalore city of India.	Oral
Nimish Biloria	Smart Cities - Healthy Cities? A Population Ageing Perspective	Oral
Kousik Das Malakar	Health, Sanitation and Waste Management Scenarios in Indian Urban Villages: A Pre-COVID and COVID Period Comparison	Oral
Valeria Bellisario	Maternal BMI, smoke, and urbanization on neonatal Oxidative Stress balance.	Oral
Md. Faisal Kabir	Impact of Inflated Food Price on Urban Mental Health: A Study on Dhaka	Oral
Rohini Sapkal	A study to assess the knowledge and attitude about lifestyle diseases among women residing in the slums of Mumbai	Oral
Edmore Mutsaa	Impact of Spatial and socio-economic Inequality on vulnerability to communicable diseases in the city of eThekwini, South Africa.	Oral
Muhammad Mainuddin Patwary	Does COVID-19 Change the Use of Urban Green Space? Evidence from Global South Cities	Oral

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Poster Presentations	
Lead Author	**Title**
John Didacus Njoku	Conflicts in ancestry and alien urban climate governance strategies: the metaphor of a successful paradox in Nigeria.
Anna Boldina	Active Urbanism: Metabolic rate and oxygen consumption comparison between walking on steppingstones versus conventional pavements.
Andrew Kim	Multiple perspectives on the meaning and effects of Resiliency
Eric Ssegujja	Co-designing an urban immunisation service delivery model to improve data quality to meet the changing demands of urban dwellers. Experiences from Kampala city, Uganda
Bal Govind Chauhan	Malnutrition and its associated factors among slum living adolescents in Uttar Pradesh, India
Bal Govind Chauhan	Mother's Knowledge and Child Feeding and Care Practices and its Impact on Child Health Outcomes: A study of Urban Slums, Pune, India
Bal Govind Chauhan	Status of Child Immunization during the First Wave of COVID-19 Pandemic
Christina Xiao	One-year findings from the Children's Health in London and Luton study: A natural experimental study of the effects of the Ultra-Low Emission Zone on children's travel to school
Christina Xiao	Evaluating the impact of Southwark's Low Traffic Neighbourhoods (LTNs) after one year: A natural experimental evaluation
Nadia Shah	Frailty and its association with Depression among older adults living in selected Nursing and Care facilities in Karachi Pakistan
Nadia Shah	The Psychological impact of COVID-19 among adult and elderly population of Pakistan
Nadia Shah	Barriers to Access Health Care in Diabetes management among adults living in urban communities from Karachi Pakistan
Meen Poudyal Chhetri	Climate Change Issues in Nepal and Beyond
Valeriya Dorosh	Spatially explicit model of factors determining the transmission of dengue and other arboviral diseases in mainland Portugal
Pedro Perez-Martinez	Peripheral transport trips, urban environments and disease relationships in São Paulo, Brazil
Jaione Ortiz De Zarate	New Urban Ecosystems from A One Health Perspective: Future Challenges
Hillary Coletro	Ultra-processed foods and their health implications beyond overweight and chronic non-communicable diseases: Analysis of food insecurity during the pandemic of COVID - 19
Jennifer Kolker	US City Approaches to Equity in Covid-19 Testing and Vaccinations
Deepthi S	Understanding The Sustainable Practices of Urban Street Design Through Case Areas of Indian Cities
Lee Parry-Williams	A Case Study from Wales - advancing and supporting multidisciplinary action for health equity
Alsa Bakhtawar	Kaya Kalp: A multi-sector, citizen-led, data-driven initiative to reduce inequities in Indore, India
Chuyue Zhong	Urban health networks in East Asian Western Pacific Region
Amparo Rodenas Marco	La Ribera Camina
David Ugal	Adolescent Reproductive Health Services: Factors In Utilisation In An Urban Area In Nigeria
Radhika Raghunathan	Longitudinal Patterns of Childhood Adverse Experiences from Early Childhood to Adolescence: Identifying Changes and Implications for Intervention
Olukunle Omotoso	The Stigma Context, Social Inequalities And Knowledge Gaps About Epilepsy Among Urban Dwellers In Southwestern, Nigeria
Hui Chang	Factors Associated with successful aging Among Empty-nest Elderly in China Based on Social-ecological System Theory
Shadman Nahid	Identifying the Environmental Critical Zones in Delhi, India – A Spatial Approach
Michelle Firestone	An Evaluation of Anishnawbe Health Toronto's Rapid Access Addiction Medicine (RAAM) Program

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Poster Presentations	
Tiffany Yang	"We care about clean air": harnessing school-age citizen scientists to identify patterns of exposure to pollution and co-producing opportunities for change
Neha Shri	Inpatient health care Utilization among widowed adults in India-Evidence from a nationally representative survey LASI-1
Daiane Castro	Characteristics of the neighborhood and the practice of physical activity among adolescents and young people: a model with distal outcomes
Julia Judith Mundo-Hernandez	Urban mobility and well-being in the historic center of Puebla city in Mexico.
Marisa Von Fintel	Knowing where the roof leaks: Results from a field experiment on accountability measures in South African government-provided housing
Hicham Fawzi Arrar	Quantification of outdoor thermal comfort levels in Mediterranean historical City fabric
Gopal Kulkarni	Impact of community-based surveillance on reported postnatal complications among married adolescent girls and young married women in a slum community in India
Terwase Shabu	Urban Slums and Crime Prevalence in Benue State, Nigeria: a Study of Selected Slum Areas of Makurdi Metropolis.
Laura Baldovino-Chiquillo	The effect of a cable car and associated park renovation on physical activity: a natural experiment in Bogotá, Colombia
Lea Caragata	Single Mothers & Affordable Child Care: Small Policy Steps to Improved Gender Equality and Positive Health Outcomes
Cheng-En Chao	The change of Quality of Life in the rapidly developing industrial city ： A case study of Tainan City, Taiwan
Hicham Fawzi Arrar	Modeling for nature-based solutions alternative for public spaces in Brussels during heat waves
Tung Ho Chan	Can a compact city be also sustainable? A Case Study of High-Density Asia City Hong Kong.
Audil Rashid	Using climate predictors to establish interventions for prevention of air pollution exposure for urban dwellers
Diana Beatriz Muñoz González	The role of mindfulness practices as a key element for a conceptual framework of behavior and health in green environments
Kousik Das Malakar	Study on Ecological Environmental Health in the Indian Urban Corridor Using Geospatial Data: The Case of Amritsar-Ajmer Axis via Delhi
Suresh Jungari	Dignified Motherhood? Women experiences of Disrespect and Mistreatment during Childbirth in Health Facilities in Urban India: Mixed method study
Dolly Kumari	Psychological and financial cost of caregiving to urban older adults
Rok Novak	Health impacts of cycling in urban environments: An Urban Living Lab approach
Eduardo Abbade	What is the economic impact of obesity in Brazil?
Adebola Ehizele	The role of leadership and systems approach in improvement of oral healthcare
Twesha Khanna	Lower refusal self-efficacy is associated with substance use, poor physical and sexual health among young urban African American women
Ratna Patel	Equity in Maternal and child health care in urban India: Impact of water access, sanitation, and hygiene (WASH) practices
Olivia Opere	Teacher Involvement in Promoting Child Safety Amid the Covid-19 Pandemic In Hindi Town, Lamu County, Kenya
Aditya Singh	Determinants of anemia among men in urban India: a nationally representative cross-sectional study
Zahidul Quayyum	Dhaka City Water logging Hazards: Area Identification and Vulnerability Assessment through GIS-Remote Sensing Techniques
Dhananjay Bansod	Struggle for livelihood during COVID-19 Pandemic in India: A qualitative study of unorganised sector workers in Mumbai Metropolitan Region
Laakri BOUHADJ	Territorial approach to measuring environmental and social health inequalities: spatialized composite indexes in environmental health
Maria Asunción Peiró Sala	Forum asociaciones SALUDEM-NOS

Preliminary Program - SUBJECT TO CHANGE

Preliminary ICUH 2022 Program (10 August 2022) **Provided for planning purposes, subject to change*

Poster Presentations	
Abhishek Sharma	Differentials in medication adherence in India: Does place of living matter?
Jordi Honey-Rosés	Improving Public Spaces with School Streets: The impact of the Progetim Les Escoles program in Barcelona
Dolly Kumari	Correlates of hysterectomy in India, evidence from recent National Family Health Survey (NFHS-5)
Zahidul Quayyum	Socio-economic factors influencing the accessibility to affordable, quality, and secured housing in Dhaka city, Bangladesh
Yan Wu	Critical factors affecting public awareness on the development of low-carbon cities in China
Ana Maria Sperandio	Technological innovations to identify children's perceptions concerning the city.
